TENDER FOR THE SUPPLY OF ILMENITE

TECHNICAL AND COMMERCIAL BID(PART -A)

1. ITEM : ILMENITE
2. SPECIFICATION : 50% Min TiO₂ content, Moisture 0.5% max.
3. QUANTITY : 5000 MTS.

The above quantity is based on our present production schedule. However, our requirement may increase/decrease depending on our production schedules. The tenderer is allowed to quote for partial quantity in case they cannot meet our full requirement.

4. **ORIGIN OR SOURCE OF ILMENITE**

Source/country of origin of the Ilmenite should be indicated in the tender. In case of tenderers other than manufacturers of Ilmenite, proof of arrangement for sourcing from the actual producer may be enclosed in the part A of tender.

5. **PRICE**

Price for delivery at TTPL campus is to be quoted. However, the unloading of the Ilmenite will be arranged by TTPL. The price quoted should be firm for a period from the time of opening of price bid and till the finalization of purchase (Min 30days). The price quoted shall be firm and fixed during the tenure of the contract period. It may be noted that quoted rate for supply of Ilmenite shall be for 50% minimum TiO₂ content. TTPL reserves the right to accept the material below 50% TiO₂ with pro rata reduction upto 48%. Nevertheless material below 48% TiO₂ content shall be rejected. In the case of supplies from outside India, CIF Cochin price should be quoted.

6. **INSPECTION AND TESTING**

Ilmenite from indigenous source shall be tested in our lab for TiO₂ content before acceptance and subsequent payment. Material shall be accepted only if it conforms to our specification mentioned in the purchase order. The sampling method is 'random method'. In case of any dispute regarding the result, it shall be tested again in our lab in the presence of the successful tenderer /his representative. The result thereof shall be final. If the material supplied is still found to be not as per the specification given in the Purchase order, TTPL reserves the right to reject the material. The tenderer shall take back such material at own risk and cost. In such case the unloading charge of the lot borne by TTPL will be deducted from the tenderer's bill. Inspection and testing of the material of over seas supplies shall be done by TTPL, or through an international agency like SGS/BVQI for quality and quantity. Only after clearance from our inspection agency, dispatch shall be arranged.

7. **SAMPLE**

Eligible parties who wish to participate in the tender should submit minimum 5kgs sample along with test certificate for our lab analysis. Only if the sample conforms to our specification then their offer will be considered for further processing. Sample should be submitted along with Part A of Tender or prior to submission of tender.

8. **TEST CERTIFICATE**

Each consignment should accompany with a test certificate and the same should be handed over to the authorized officer. Any consignment without above test certificate will not be accepted.

9. **DELIVERY SCHEDULE**

Normal delivery time is 2 months (ie.2500+2500)

However TTPL reserves the right to regulate supplies in increasing/decreasing/suspending dispatches according to our production schedules and the same shall be informed to the supplier.

10. **TRANSPORTATION**

Transportation of the material to TTPL's godown is at Tenderer's scope. In the case of Overseas supplies, clearing from the port of discharge and transportation of the same to our site shall be arranged by us.

11. **UNLOADING**

Unloading of the material will be arranged by TTPL. However, the unloading charges of the rejected lots, if any, shall be to the tenderer's account. In such cases the amount will be deducted from the tenderer's bill. Our usual unloading time is from 8 a.m to 4 p.m on all working days. However, we shall ensure that the transport trucks/containers are not detained beyond reasonable time, if such arrivals are informed to TTPL in advance.

12. **QUANTITY SUPPLIED**

Quantity of material supplied will be determined as recorded on TTPL's weigh bridge and payment shall be made accordingly. However a weigh bridge to weigh bridge variation of +/- 0.5% in weight shall be allowed.

13. **PAYMENT**

Payment shall be made to the actual quantity of material received and accepted at our end. Payment shall be made by Account Payee at par cheque after receipt and acceptance based on our lab results. In the case of over seas suppliers, irrevocable LC at sight for 90% of the CIF price and balance 10% after receipt and acceptance.

14. **EVALUATION**

Evaluation of the tender will be based on the test results of the samples, Test certificate and other credentials submitted by the tenderer. During evaluation (Technical/Commercial), if there is any change in specification of the material, scope of supply or any major commercial terms, the tenderer shall be requested to submit fresh price bids and only that bid will be opened during the opening of price bids Part-B. TTPL reserves the right to accept/reject any of the tender after evaluation with or without assigning any reason no matter whether a tenderer has quoted the lowest rate. All

questions/disputes arising out of or in connection with this shall be decided by the Managing Director of the Company and his decision thereof shall be final and binding to all tenderers.

15. **ORDER**

TTPL reserves the right to split the order and give it to more than one party.

16. **JURISDICTION**

Any legal proceedings or suit against the Company arising out of or in connection with the tender shall be filed or instituted in a court having jurisdiction in the city of Thiruvananthapuram, Kerala.

17. **COST OF TENDER FORM**

Cost of Tender form is Rs.2000/- +VAT 4.04% (Total Rs.2081/-)

18. **OPENING OF TENDER**

The tender received will be opened at 2.30 p.m on 30th December 2011 in the presence of those tenderers who are present at that time. Price Bids (Part-B) will be opened only after the evaluation of Technical and Commercial bids. The Price bids of only those tenders which are commercially and technically accepted by TTPL will be opened and the date will be informed to the tenderer/s later.
